Sense
Anywhere

SenseAnywhere leads a new generation of ultra-low-power data loggers that wirelessly connect to the Cloud.
Our data loggers are easy to install, use and maintain and have a 10-year battery life.

Turn key monitoring solution

Measure
temperature

Monitor
CO2 levels

Secure & Redundant
Cloud Storage

Alarm users
if necessary

Applicable for all kinds of industries

Features

Alarms

Receive notifications per email or SMS when limits are exceeded

Real-time

24/7 monitoring gives you a complete audit trail of your products

Seamless Roaming

Automatic network discovery, so no pairing required

Security

The wireless communication is a secure 2-way communication

Ultra-low-power

Our unique and efficient wireless protocol allows you to receive >1 million measurements in the Cloud which means a 10-year battery life

Interactive display

By scanning the device's unique QR code you can immediately view your data in the Cloud

And it is very easy!

Sense Anywhere

Easy to install

☑ Register + connect = ready!

🕐 Takes less than 10 minutes

🔌 No cables or software

Easy to use

☁ Cloud based

🏭 For all industries

📱 Accessible from any device

Easy to maintain

↺ No back-ups

🔧 No maintenance

🔋 Lifetime battery

You can access data and edit the settings of your data loggers in the SenseAnywhere Client portal.
Our software and data storage are FDA Compliant and the software is continuously being extended with features.
In the portal you are able to: manage settings, view graphs and data, set alarm profiles, schedule and download reports and many more.

Software tailored to your needs

Sense Anywhere

Standard

✔ Web-based software

✔ Cloud-based infrastructure

✔ Triple redundant database

✔ FDA 21 CFR part 11 compliant

✔ Data Storage Period 5 years

✔ 10 users

✔ Scheduled reports

Enterprise

BEST VALUE

✔ Standard+Pro subscription features

✔ Data Storage Period 15 years

✔ Unlimited users

✔ Hierarchical divisions

Different customers have different needs and in addition to our extensive Standard subscription with many features, we also have a Pro and Enterprise subscription with even more features and functionalities. SenseAnywhere offers tailored subscriptions for every company.

The big picture

Secure Cloud Storage

Production site

Distribution center

End user

AP

AP

3G GPS

Goods are monitored all the way from production until consumption

A data logger stays in the package throughout the whole distribution chain. Seamless roaming allows the data logger to transfer it's data real-time at any location where a SenseAnywhere (mobile) AccessPoint is deployed. All data is stored securely in the Cloud and you can access it from any smart device.
